Recommendations

"Extremely Energized Individual"

Vadiraj is an extremely energised individual. He has a lot of potential. I've seen his work and am impressed by how he takes on challenges with ease and works on them before tackling with the projects. He would be an excellent addition to any IT firm

Nikhil Mogare, Storage Administration
DXC Technologies

"Excellent Team Player"

Vadiraj is an excellent team player and can solve any type of issues in short amount of time due to his vast knowledge and experience with working on a fast-paced environment.

Akshay Kulkarni, Security Analyst PTC

"Great Asset"

Vadiraj and I worked together as SREs. He is a go-getter and his dedication towards work is much appreciated. He has very good hands-on knowledge on Cloud, Linux and DevOps technologies. Without any doubt, he will be an asset to the organization.

Prajwal Thippeswamy, SRE, Cohesity
